RUN YOUR RACE

For over FORTY years, Mark T. Barclay has been preaching the uncompromised Word of God and making a stand for righteousness in the last days.

A no-nonsense, straight-shooting preacher, Brother Barclay is a powerful voice for the new millennium, taking the body of Christ to the climax of the ages. He has a precise mission on his heart and mind—to bring a move of the Holy Spirit to the world and prepare God's people for His coming.

Dr. Barclay is an international author whose materials continue to fortify many churches and believers around the world. He is the founding pastor of Living Word International Church, which is both a very strong world outreach center in Midland, Michigan, and a world class network of ministries and churches. From this world headquarters church, Brother Barclay travels extensively as a convention speaker and produces the ministry television program.

He pioneered a Bible school for preachers and lay people alike that has helped hundreds of people find their place in the ministry and help build their local churches. This school, Supernatural Ministries Training Institute (SMTI), is now hosted by many other churches in America as well as other countries and languages of the world.

You will be refreshed and challenged as you sit under this prophetic ministry and touched by God as Brother Barclay preaches the Word and breaks forth with a supernatural flow in the gifts of the Spirit. You will never be the same.
